1. Request for Determination of Applicability (con't from February 22, 2000) as filed by Rene Drouin, Jr. for property located at Durfee Street, map 75, lot 5. This proposal is to do grading, selective clearing and landscaping for single family home within 100 feet of a Bordering Vegetated Wetland. A siltfence will be installed along westerly property line and across the back of the lot and will act as a limit of work. Representative is also Rene Drouin, Jr. of Wetlands Consulting Service.

2. CANCELLED BY PRIME ENGINEERING UNTIL 4/11/200

Notice of Intent (originally con't from December 28, 1999) as filed by Tim Kelly for property located at Route 6/Popes Island. Rich Rheume of Prime Engineering representing applicant. Proposed work consists of repairing existing docking facility and repairing rip-rap wall. New site plans are needed to be presented along with a filing to the state for a **new** chapter 91 license.

3. Request for Determination of Applicability as filed by Walden Land Co, LLC for property located at west side of Hathaway Road, map 121 lot 126. Purpose of this filing is to get a wetlands line approval for possible future subdivision. Representative is Brian Levesque of SITEC, Inc.

4. Request for Determination of Applicability as filed by Edson International Corp. for property located at 146 Duchaine Blvd., map 136 lot 348. The proposal is to expand existing industrial building. This determination will help define the feasibility and extent of the proposed addition by delineating the specific areas under the jurisdiction of the New Bedford Conservation Commission, the Wetland Protection Act, and 310CMR10.00. Representative is Robert Field of Field Engineering.

5. Request for Determination of Applicability as filed by Rene H. Drouin, Jr. for property located at Lark and Cardinal Street, map 138 lot 33. The owner proposes to do grading, selective clearing and landscaping within 100 feet of an off-site BVW. A haybale/siltfence will be established along the northeast corner of the property to protect wetlands during construction. Representative is Rene H. Drouin, Jr. of Wetlands Consulting Service.

6. Request for Determination of Applicability as filed by Jose Verrissimo for property located at (formerly) 3217 Acushnet Ave. map 1321 (portion) lot 38. The applicant proposes to construct a single family dwelling within an existing lawn area. There are no wetlands on the subject property but wetlands are located off site beyond a continuous

stonewall located westerly along the property boundary. Representative is Brian Levesque of SITEC, Inc.

7. Request for Determination of Applicability as filed by Maroney Building and Contracting for property located at Rounseville Street/Acushnet Ave. map 1321, lots 42,43 and 44. The applicant proposes subdivision construction. Representative is Dan Aquiar of SITEC, Inc.
